# What is “Start a Business in Norrbotten”?

“Start a Business in Norrbotten” is a seminar and digital group sessions held in English for those who have an international background and are thinking about starting a business or have had a business for up to three years in the municipalities of Arvidsjaur, Boden, Luleå, Pajala, Piteå, Övertorneå or Övertorneå.

To set up and run a business in a new country can be challenging (to say the least!). There is a lot to learn and think about while developing your business idea and gaining understanding about how the entrepreneurial system works, your obligations under it as well as the opportunities it provides.

**Do you want guidance on how to start your business and develop your business idea?  
Then “Start a Business in Norrbotten” is relevant for you!**

# Who?

New businesses (established less than three years) and up and coming business owners (those thinking of starting up) who have moved to Sweden from overseas.

# What?

- A seminar held in English that goes through the practical aspects of starting up and running a business, both in general and specifically how it works in Norrbotten, Sweden.
- Digital meet and greet sessions where the participants have the opportunity to share their thoughts and challenges about starting a business in Norrbotten, meet other people that are also thinking of (or already have) started a business in Norrbotten, as well as ask questions to our business advisor.

# Purpose?

New business owners with an international background will receive the knowledge and support they need to start and develop businesses in Norrbotten.

# The seminar

Areas we will cover during the seminar:

- The planning stages of setting up your business.
- Taxes, fees and budgets.
- Bank, pension, insurance and financing.
- Q&A.

We run the seminar both digitally and onsite throughout the year together with our partners. If you need support in a specific area after the event, you can receive individual support by one of NyföretagarCentrum's business advisors.

# Digital meet and greet sessions

Areas covered in the meet and greet sessions:

- You have the opportunity to share your thoughts and challenges about starting a business in Norrbotten.
- Meet other people that are also thinking of (or already have) started a business in Norrbotten.
- Ask questions to our business advisor.

We run digital meet and greet sessions throughout the year. If you need support in a specific area after the event, you can receive individual support by one of NyföretagarCentrum's business advisors.

*And you know what?  
YES, it is completely free of  
charge thanks to funding  
from the Kampradstiftelsen  
and our partners.*

**The only thing you need to do is to invest your own time to gain more knowledge towards becoming an entrepreneur in Norrbotten.**
